

Consortium Connections

*Connecting campuses to promote excellence in science and
mathematics*

September 2014

Vol. 8, No. 1

Upcoming opportunities

- **Undergraduate Research Symposium in the Physical Sciences, Math, and Computer Science** October 31-November 1, 2014. Washington University in St. Louis, MO. Registration deadline September 29. http://mathsciconsortium.org/event_information/2014-undergraduate-research-symposium-in-the-physical-sciences-math-and-computer-science
- **Undergraduate Research Symposium in the Biological Sciences and Psychology**, November 7-8, 2014. University of Chicago, IL. Registration deadline September 29. http://mathsciconsortium.org/event_information/2014-undergraduate-research-symposium-in-the-biological-sciences-and-psychology
- **Speaker Series** The Consortium has funds to support seminar visits among member institutions. If you are willing to give a seminar, please add yourself to our speaker database. If you are looking for a seminar speaker, please search our speaker database. You are not limited to those in the database, but it is an excellent group of folks who would like to give seminars at Consortium institutions. <http://mathsciconsortium.org/speaker>

Recent news

- The **Workshop for Early Career Success** was held on July 11-13, 2014 at Gustavus Adolphus College, St. Peter, MN. Eight new tenure-track faculty, four new term faculty, and two postdocs met for three days in the beautiful Gustavus arboretum with workshop facilitators Brandy Russell and Scott Bur. The participants represented 10 of our 12 member institutions.
- The faculty development workshop on **Scientific Instrumentation in the Curriculum** has been postponed to summer 2015, most likely June. Please contact Brandy Russell (brussell@gustavus.edu) with interest or questions.
